

Kiwanis Club of the Delta-Antioch and Assemblyman Tom Torlakson Present
33rd Holiday Run and Walk for Health and Health Fair
Saturday, December 12, 2009 - Contra Loma Regional Park, Antioch
Benefiting local organizations working hard to build a healthy community starting with our youth

The Holiday Run & Walk for Health and Health Fair is a unique health awareness and fitness action event benefiting local organizations working hard to build a healthy community starting with our youth. The event features a 1-mile run for our youth followed by the 3-mile and 10k races through Contra Loma Regional Park and some of Antioch's nearby cherished parks and trails. There is also a "Kiddies Dash" following these feature races for youth participants 5 and under. Of course, we will have our special guest, Santa, running along side the youth participants in the 1-mile and "Kiddies Dash" with great music from local bands and gold medal winning high school choirs! We are actively working in our K-12 schools promoting the health message and inviting hundreds more students to participate. With fun Awards Ceremonies immediately following the races and, last but not least the Health Fair, a major part of the race day activities. The Health Fair for the entire family will include free diagnostic tests, information on family health and wellness, healthy food and how to fit fitness into a busy life style! We feature the Schools Trophy Challenge and the Police and Firefighters Trophy Challenge and, for the 5th year in a row, we have formed a special partnership with our libraries across Contra Costa County. Friends of the Library groups are recruiting members to participate in the "Library Friends Trophy" Challenge to help our libraries buy the latest books and education materials on HEALTH, FITNESS, DIET, NUTRITION, and EXERCISE. We believe getting this valuable, life-changing and life-saving information into the hands of thousands of Contra Costans will boost health significantly in our families. Your sponsorship will allow us to bring this information to more families in Contra Costa County and around the Bay Area!

Please consider being a sponsor of the 33rd Anniversary Holiday Run and Walk for Health and Health Fair!
